

Established in 1989, Rang Décor has become a beacon of innovation in the realm of interior design and décor. With unwavering dedication and a passion for excellence, we have set new benchmarks, leaving a lasting legacy in the industry. In 2015, we embarked on a transformative journey with the launch of our iconic brand name, "Rang Décor."

PASSION
Our team is driven by a love for design and aesthetics. We pour our hearts into every project, ensuring that each design is a work of art. We stay updated on the latest design make each product unique.

INTEGRITY

Our commitment to ethical practices means we deliver on promises and maintain transparent communication, building lasting relationships with our clients.

our client's needs and preferences, ensuring expectations.

INNOVATION

We keep constantly evolving with new trends in building materials industry to offer the

TECHNICAL SPECIFICATIONS

High Thermal Stability

BERN Thermo Laminates offer excellent resistance to high temperatures, maintaining dimensional stability and surface integrity even under prolonged heat exposure.

Scratch Resistance

Treated with a special coating to achieve high scratch resistance, ensuring durable surface hardness and long-lasting appearance.

Weather-Proof Durability

Specially engineered for outstanding UV and weather resistance. Suitable for varied climatic conditions without significant color fading or warping.

Surface Hardness

- Pencil Hardness: HB Grade
- Rockwell Hardness: -93 Shore D
 (comparable to leading premium laminates)

Moisture Resistance

100% waterproof core resists swelling, warping, or delamination when exposed to moisture.

Eco-Friendly

Manufactured with non-toxic materials, ensuring safe use in residential and commercial interiors.

Smoothness & Aesthetic

Ultra-smooth surface finish with options for high gloss or matte textures.

Thermal & UV Resistance

- Excellent resistance to thermal stress
- Superior UV protection to prevent discoloration

BERN THERMO LAMINATE

Size: 8 Feet x 4 Feet | Thickness: 1 MM

RECOMMENDED APPLICATIONS

BERN Thermo Laminates are ideal for:

Residential Interiors:

Kitchen Cabinets

Wardrobes & Closets

Bathroom Wall Paneling

Livingroom & TV Units

Modular Furniture

Commercial Projects:

Retail Showrooms

Hospitality & Restaurant

Healthcare Spaces

Office

Performance Benefits:

- Heat Resistant: Suitable for vertical and horizontal surfaces near heat zones.
- Weather Resistant: Endures fluctuating humidity and temperature without deforming.
- Termite & Borer Proof: Maintains structural integrity for years.
- Lightweight: Easy to handle and install.
- Scratch & Stain Resistant: Keeps a pristine look with minimal maintenance.

INSTALLATION GUIDELINES

Surface Preparation:

- Ensure the substrate (plywood/MDF) is clean, dry, and free of dust or grease.
- Check for flatness and repair any unevenness.

Cutting & Handling:

- · Use carbide-tipped saw blades for precise cutting.
- Always support the laminate sheet to avoid cracks during handling.

Bonding:

- Apply adhesive uniformly
- Press the laminate sheet firmly to eliminate air pockets.
- Use a roller for uniform pressure.

Finishing:

- Trim edges neatly with a router or file.
- Avoid excessive force to prevent chipping.

Storage:

- · Store flat on an even surface.
- Protect from direct sunlight and moisture before installation.

Note:

Rang warrants that all its products are free from manufacturing defects and perfectly ideal for use in normal conditions. In case of any manufacturing defect, Rang is liable for product cost only.

Rang is not liable for any complaints in the following cases:

- Colour variation from batch-to-batch production.
- Improper handling of product or any transportation damage.
- Improper installation of product.
- Outdoor applications.
- Visual differences that may occur between the physical product and e-catalogue or printed images.

We are liable only on laminate products and not on plywood, glue, or other materials used for installation. It is advisable to check the batch number to avoid colour variation.

Rang is not liable for any complaints if the product is not properly handled or installed. Maintain according to the given guidelines.

BERN THERMO EDGE BANDING INFORMATION

Matching edge banding is available in the same colour EDGE BANDING SIZE Width: 25 MM | Thickness: 1 MM

HOW EDGE BANDING IS APPLIED

Preparation

- Cut panel edges smooth and clean.
- Remove dust or oil.

Adhesive Application

- Apply hot melt adhesive to the back of the edge banding.
- Alternatively, use pre-glued edge banding with an edge banding machine.

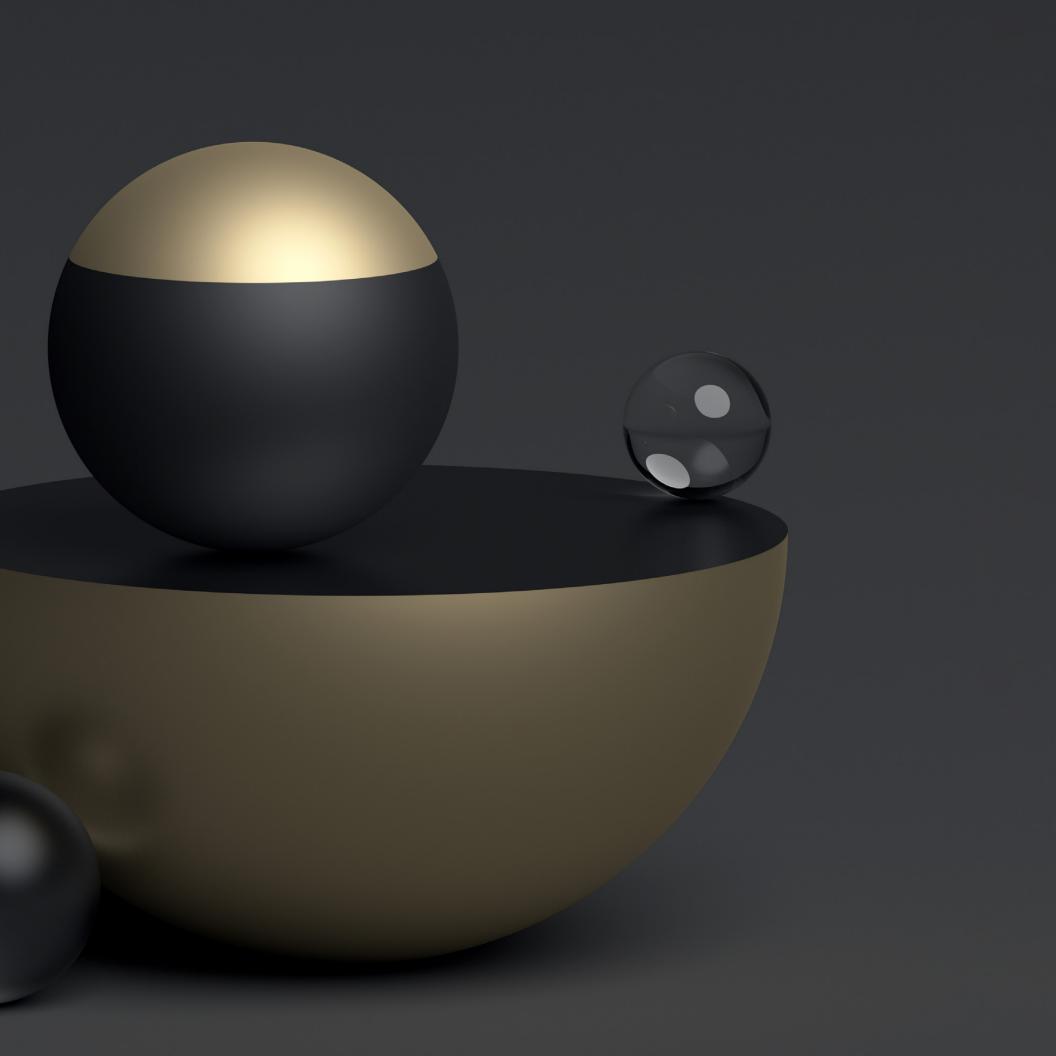

Bonding

- Press the band firmly onto the edge.
- Use rollers or a hand press for strong adhesion.

Trimming & Finishing

- Trim excess material with a trimmer or blade.
- Buff or lightly sand edges for a smooth finish.

METALLIC MATT

The beauty has found its new place and its yours that has the quiet strength of these mesmerising metal accents!
