Installation & Technical Guidelines:

DO'S

- **Before installation, ensure the surface is prepared using plywood or MDF. Remove any existing wallpaper or film. Ensure dipped plywood/lipping patti meets interior quality standards. If defects like uneven coating or discoloration are found, sand the affected area to remove the faulty layer.**
इस्तेमाल से पहले - प्लाईवुड या MDF का उपयोग करके सतह को तैयार करें। मौजूदा वॉलपेपर या फिल्म को हटा दें। सुनिश्चित करें कि डिप्ड प्लाईवुड/लिपिंग पट्टी आंतरिक गुणवत्ता मानकों का पालन करती हो। यदि डिप्ड रंग परत में असमान कोटिंग या रंग में बदलाव हो, तो खराब परत को सैंडपेपर से हटाएं।
- **Apply a high-quality adhesive to the back of the louvers. For strong bonding, a small amount of hot glue is recommended.**
लूवर्स के पीछे उच्च गुणवत्ता वाला एडहेसिव लगाएं। मजबूत पकड़ के लिए थोड़ा हॉट ग्लू का प्रयोग करें।
- **Louvers can be installed horizontally or vertically. For extra stability, secure them by hammering nails into interlocking edges or grooves.**
लूवर्स को हॉरिजॉन्टल या वर्टिकल तरीके से लगाया जा सकता है। अतिरिक्त मजबूती के लिए, इन्हें इंटरलॉकिंग किनारों या ग्रुव्स में कील ठोककर स्थिर करें।
- **Louvers are designed strictly for indoor use.**
लूवर्स केवल इनडोर उपयोग के लिए बनाए गए हैं।
- **Use a circular saw to cut the louvers to the desired size. Ensure the blade is sharp, undamaged, and free of cracks, bends, or missing teeth.**
लूवर्स को मनचाहे आकार में काटने के लिए सर्कुलर साँ का उपयोग करें। ब्लेड तेज, बिना नुकसान के और सही हो।
- **Clean only with a soft cloth.**
सफाई केवल मुलायम कपड़े से करें।

DON'TS

- **Avoid the use of any chemicals or cleaning detergents.**
किसी भी केमिकल या डिटर्जेंट का उपयोग न करें।
- **Louvers are waterproof, but prolonged exposure to moisture can damage the product.**
लूवर्स वॉटरप्रूफ हैं, लेकिन ज्यादा समय तक नमी में रहने से नुकसान हो सकता है।
- **Do not install them in areas exposed to direct sunlight or near heat sources such as stoves or hobs.**
इन्हें सीधी धूप या गर्मी के स्रोत जैसे स्टोव या हॉब के पास न लगाएं।

Note:

- Rang ensures all its products are free from manufacturing defects and are suitable for use in standard indoor environments. In case of a manufacturing defect, Rang is liable only for the product cost.
- Beware of counterfeit products. To ensure authenticity, look for the official Rang sticker or Rang-branded box before purchase.
- Product dimensions may vary by up to $\pm 5\%$. Please note that slight color differences may exist between the actual product and the images shown in the brochure/e-catalogue.

Warranty Exclusions:

Rang will not be held liable for complaints arising from:

- Color variations due to batch differences
- Damage during handling or transit
- Incorrect installation procedures
- Outdoor usage
- Direct sunlight exposure
